2016 LASER MIDWINTERS WEST FINAL WRAP UP

March 21, 2015

Day 3 of this event on Sunday provided better sailing conditions than expected. A light southerly filled in early so an on time start was achieved. The wind built slightly during the day to about 10 knots, with some 15 degree wind shifts thrown in to make things interesting. Three races were completed making for a ten race event for the 88 competitors.
